*I know the difference between expensive travel and the truly luxurious*

## Europe

Castel Hörtenberg GIOVANNI DE SANDRE

### Castel Hörtenberg, Italy

The South Tyrol region is a curious hybrid of Latin and German culture. This year there's even more reason to go, thanks to the opening last month of this fairy tale [Renaissance castle-turned-five-star guest house](#) in Bolzano, the gateway to the Dolomites. Just a few minutes by foot from downtown, it seems to have appeared out of a different era. Inside, after a long renovation, it's back to the peak of its beauty. It's the first castle hotel in the capital.
